

GRANDS

BISTROBAR

Welcome to the new Grands Bistrobar, a bistro where our ambition is for our friends to feel at home on Stationsgatan 44. Our experienced kitchen team with great curiosity has carefully composed various bistro dishes according to the season, aiming to feel familiar yet surprise and tickle your taste buds and senses. You will find everything from our new exciting snacks for your drink to the chef's specialty "Henke's moules" which has followed him in his work both around Sweden and abroad to a tasting menu of 5 dishes suitable for your special celebration. The menu and drink list are influenced by flavors from Southern Europe and the Riviera combined with classic Swedish local flavors, with our ambition being to have something for everyone.

Warmly welcome home to us, Algot & Henric with Grands friends
